## SRA Completes Acquisition of Era Corporation

FAIRFAX, Va., July 30, 2008 — SRA International, Inc. (NYSE: SRX), a leading provider of technology and strategic consulting services and solutions to government organizations, today announced that it has completed the acquisition of Era Corporation, a privately held provider of advanced surveillance technologies for the air traffic management, airport operations, military and security market, effective today.

Era is a pioneer and leading supplier of next-generation surveillance and flight tracking solutions. The company has nearly 300 employees and develops multilateration, Automatic Dependent Surveillance-Broadcast (ADS-B) and other technologies that deliver high-performance, high-reliability surveillance solutions to more than 100 customers in the U.S., Canada, Europe, the Middle East, Africa, South America and Asia. The company is headquartered in Reston, Va. with production facilities and research and development centers in the U.S. and Czech Republic.

“Era is a terrific company, and we’re privileged to welcome the Era team into SRA,” said SRA President and CEO Stan Sloane. “Era’s advanced surveillance technologies are modernizing the capabilities of customers around the world. Together, we are well-positioned for rapid growth in this rising market segment.”

### About SRA International, Inc.

SRA is a leading provider of technology and strategic consulting services and solutions – including systems design, development, and integration; and outsourcing and managed services – to clients in national security, civil government, and health care and public health markets. The company also delivers business solutions for contingency and disaster response planning, information assurance, business intelligence, environmental strategies, enterprise architecture, infrastructure management, and wireless integration.

# PRESS RELEASE

NYSE: SRX
